

About

I am H.M.P. Praneeth Jayarathna. I am a person who loves visiting natural places, seeking adventure, and enjoying new foods and drinks. I like taking on challenges and find happiness in supporting people who need help. 🙌

Professional Summary

I am a tech enthusiast specializing in Java, Spring Boot, and React JS, with experience developing large distributed systems in the FinTech (Bank), E-Learning, Human Resource applications, and E-Commerce domains. Experienced with all stages of the development cycle for dynamic web projects, I will expand the company's profit with my expertise in best development practices. 🚀
